To Whom It May Concern,

Swan's Landing works with a lot of companies in South Central Kentucky to try to provide their employees with a special meal for the holidays or even a light lunch if needed. We enjoy making any meal a special occasion. We have catered to as many as 2,000 or we can do a number as small as 50.

For the more formal dinners, we provide the linens, dishes, silverware, etc. at no extra cost. If you are doing a less formal meal, we can bring nice throw-away plates, cups, etc. for you as well.

We guaranteed the food will be delicious and the service will be some of the best you have ever experienced. Our friendly staff enjoys working with companies to try to make any meal a good one. The larger the numbers, the cheaper our price. I will do everything within my power to prepare the meal you want at a price you feel comfortable with. We will complete with other

caterers in price, and we feel certain once you try our food, you will want us back the next time you plan a meal for your employees.

We have a large grill to prepare foods on location if you want hamburgers, tenderloin, steaks, ribs, etc. We can also work with any holiday theme as well. Drop me an e-mail or give me a call. I look forward to hearing from you.

*Respectfully yours,
Linda Clark*
